THE CLASS OF 1979

SAYS 'BYE BYE'

Senior Best

The honor of representing the class of 1979 as Senior Best went to Erik Schlosser and Donna Silva. Throughout their past four years they've promoted school spirit, have been involved in school service, class leadership and athletics. They are our finest examples of best all-around Seniors.

Most Likely to Succeed

Amy Gisler and Paul Applegate were chosen by their Senior class as representing Most Likely to Succeed. They've shown dedication and achievement in the classroom, various committees and school projects. The future holds many opportunities for these two and the Senior class has no doubt that they'll be a success in life.

Best Personality

Don't be surprised if you ever see a crowd around Shelly Jubelt and Mark Vierra with their bubbling personalities and witty remarks they can brighten up any day.

Most Spirited

Whenever there's a Pep Rally or a game two people really seem to stand out. They're Marsha Rodriguez and Ernie Corral. Marsha has represented the school all four years as a cheerleader while Ernie has constantly shown and has given his teammates the spirit needed to go on. These two are fine examples of "CRAZY" people.

Best Dressed

Look who is Best Dressed! It's Michelle Twitchell and Chris Terrones. Over the years both have shown good taste in dressing just right for school and for certain functions. Both have certainly earned this award.

Most Athletic

Want to know who is the most Athletic people on campus are? Well they are Mark Widle and Kristi Klein. In the last four years both have been active in every sport imaginable. Mark has been in football, basketball, and cross country. Kristi has been involved in basketball and volleyball.

Most Fun to Be With

If you think that Tim Wells and Diane Rincon deserve some kind of an award well then you have the right idea. Both have been voted as Most Fun to Be With. Always giving some kind of funny saying you can always count on it coming from Tim or Diane.

Most Irresistible

Well look who has earned the Senior class award for flirting. It's Steve Aguilar and Toni Ciarrocchi. You can always catch these two doing what they do best at any break or at lunch. And that is Flirting.

What Has Been Your

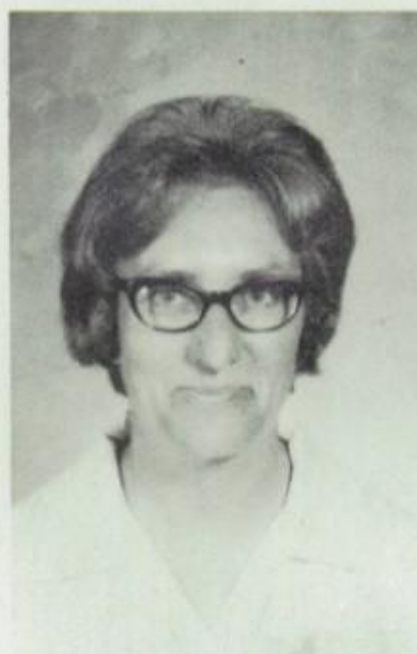

Wait till Mr. Hearn gets off the phone.

FR. CHARLES

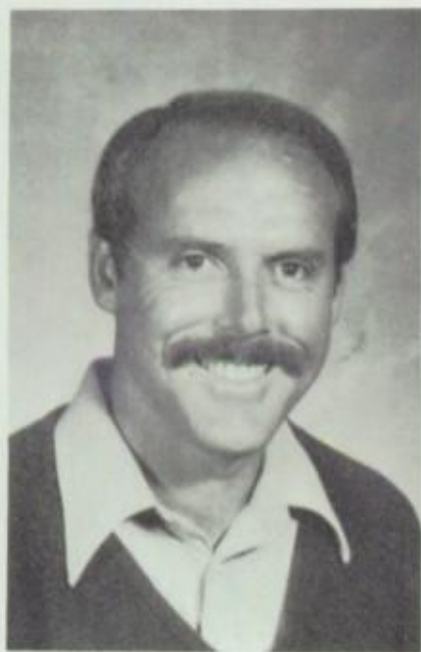

Every day is unpredictable . . . that's what I like. I'd hate to be in a job that is all routine, it would be really frustrating. There are no real incidents that I can point to, but it is unpredictable, although it is nice, when a student or graduate writes or comes by to say "Thanks."

SR. CATHERINE

The most joyful and unpredictable incident was the celebration by students, faculty and parents of my 25 years as a Sister, on April 30, 1978. That was a day I won't forget.

Most Unpredictable Experience?

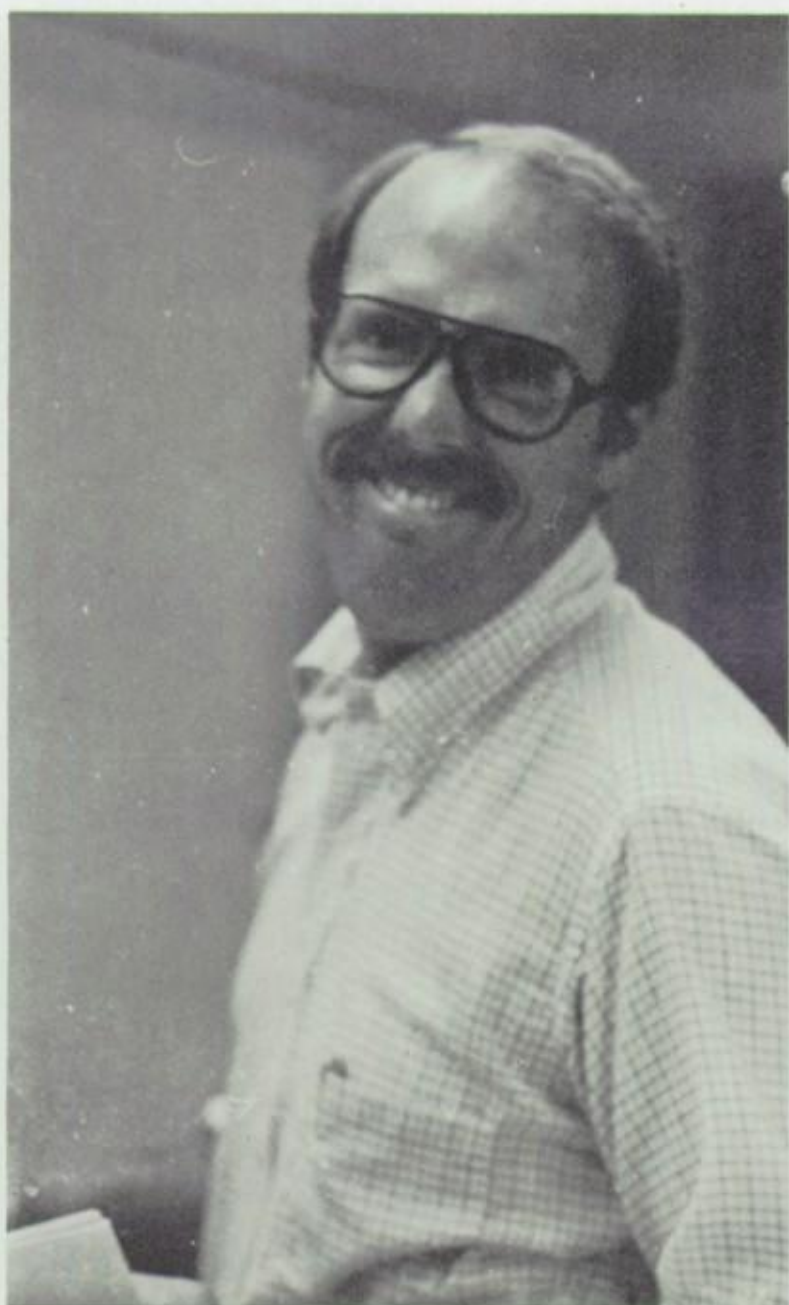

MR. HEARN

Most unpredictable and heartwarming incident occurred last year when the student body collected over \$900.00 to help pay for medical expenses incurred after my son's birth. For this, my wife and I are deeply indebted to all those students.

MR. McNICHOLAS

Gotcha!

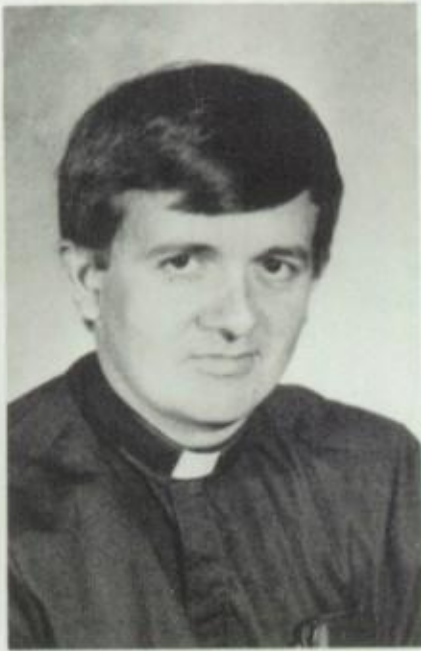

MISS SARTAIN

When advice for one student fits another.

What do I do now?

FACULTY

FR. ALFRED

The least predictable incident in my teaching experience was when I gave my French I class their first test and everybody passed. It wasn't long enough before they started showing more predictable patterns.

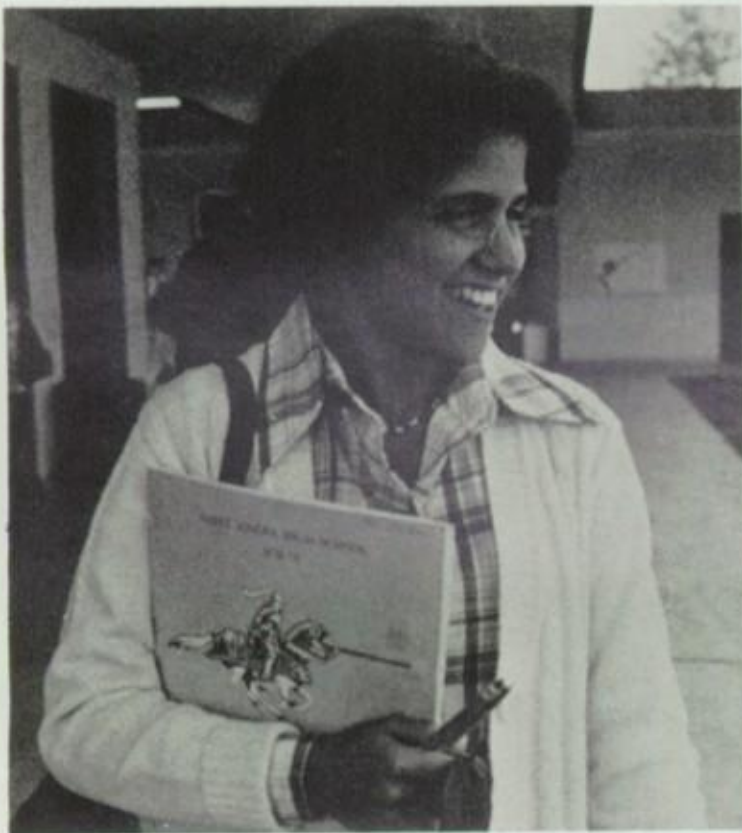

SR. BARBARA

Adding $2+2$ together and getting 5.

When Mr. Denne and I were auctioned off to the Seniors. They made us do things that normal people shouldn't have to do!

MR. BRUNELL

MRS. BAXTER

Hopelessly devoted to you.

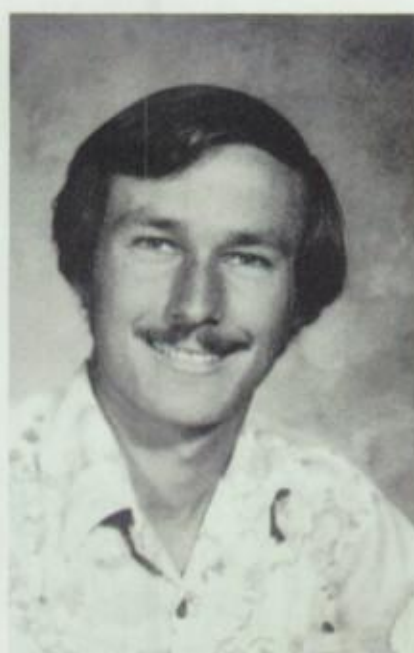

MISS CALA

MR. DENNE

MR. CRONSHAW

In June '77 during my first year, I arrived at school to find a horrified Administration and several teachers. Apparently a few of my prized physiology specimens, i.e. cats, were found charging (placed) around the school in various locations (in food machines, tennis courts, locker rooms, attendance office, in a tree outside of Fr. Charles office. Fortunately, I was able to remove my pets before the students arrived on campus.

MISS EVANS

The day Fr. Charles walked into the Year-book class, and I got caught sucking on a SEE'S lollipop.

MR. LEWIS

That awful moment when it was discovered that I had to wear a diaper the day I ran out of ordinary underwear; you see, the safety pin stuck me, and I had to remove the pin during History class one day, and . . .

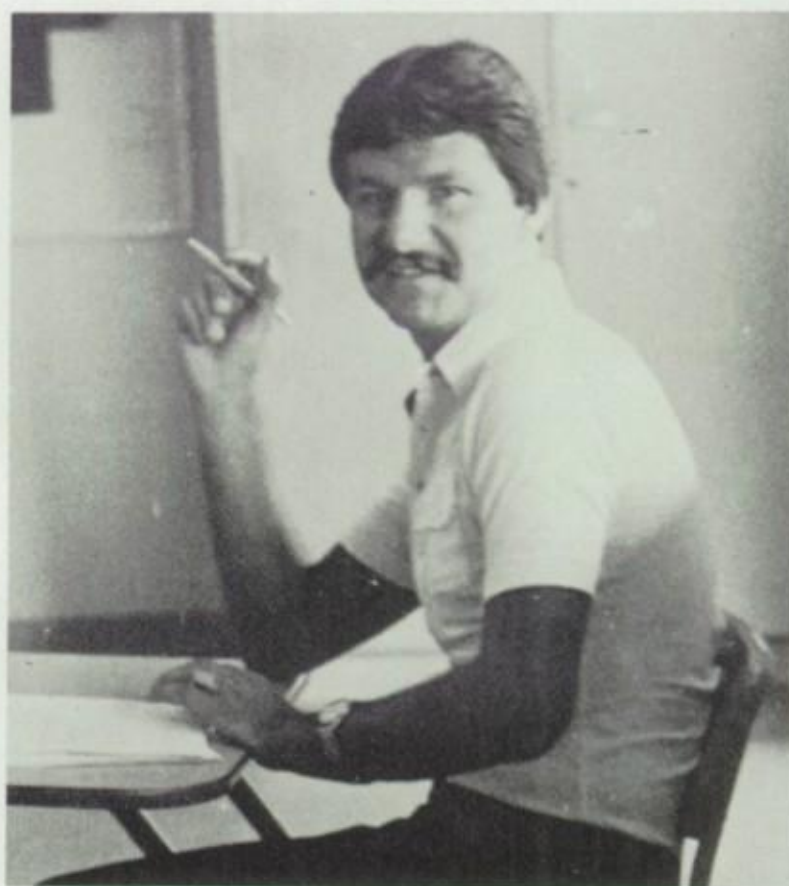

SR. LOUIS

Such Concentration?

MR. MILLER

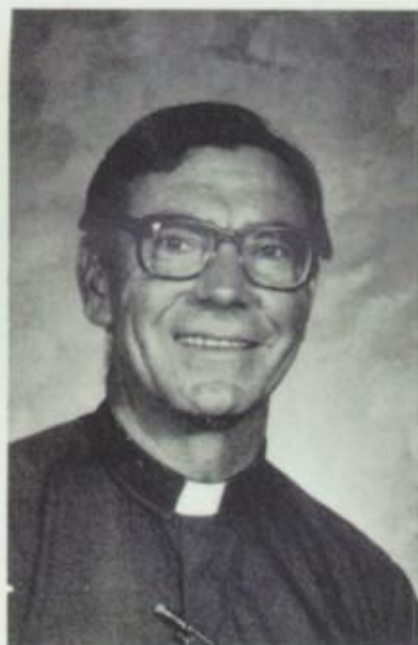

One of my most bizarre experiences was to be invited to one of Kevin Will's wild and crazy parties.

MRS. MUSCIO

Being asked to go to the Valentine's Dance by one of the students who didn't know I was his study hall teacher.

FR. MARK

In 1964 when St. Joseph H.S. opened, the buildings were not finished. In E block the walls, windows and roofs were up so we used E5 to E10 for classrooms. Several times class was interrupted by workers to put tile on the floor, add insulating material to the ceiling, or to pour a sidewalk. So the students had to pick up their desk and move.

Gobble, Gobble.

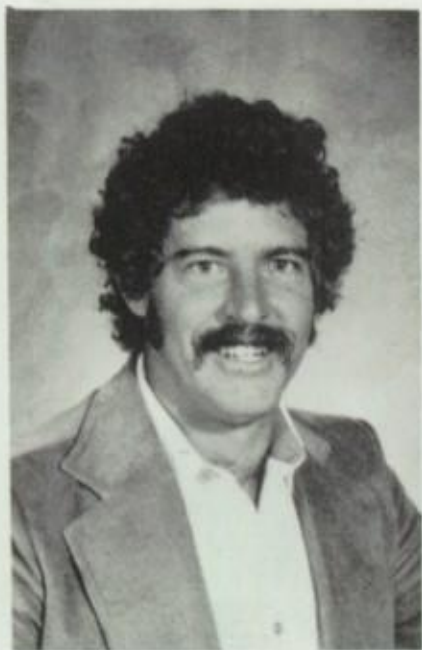

MRS. OLIVER

I became tired of lecturing on my feet, so I sat on a student desk while lecturing on Civics. Little did I know that the desk had gum on it. I had to go home and change pants.

There has been a lot of them — guys in sophomore religion imitating rain-birds; being surprised with 150 new ties in class; but the most unexpected was the time I fell into an old, but leaky, septic tank. Needless to say, the priests enjoyed it immensely.

One of the most unpredictable incidents in my teaching experience was when I asked a student to articulate the three C's of a plot, and he answered, "Don't get 'Troxed,' keep calm, cool, and collected."

Look boss, de plane! Coaches Dennis, Brunnell, Pierce.

This football season was one well worth remembering. The team set out with many goals and had the dedication and spirit to accomplish them. Their unique crazy spirit unlike any other team kept them united to the very end. This is shown by their accomplishments thru scores, winning 5 out of 9 games, and their success in making it to CIF.

Come on Chris, just a little more yardage.

Maria Greenberg, in the middle of a good spike.

Many changes took place in this year's Varsity Volleyball team. First of all, they only had 5 returning players. Second, instead of the Central Coast League, they played in the Padres League.

In view of these changes, the 1978 team had a great season under the coaching of Mrs. Linda Oliver. They finished their season with an 8-4 record and placed second in their league. They also qualified for CIF which was held at Calabasas.

The girls' J.V. Volleyball team had an excellent season this year under the coaching of John Brockhause. The team ended the season with an impressive record of 7 wins and 2 losses. They were tied for first place in the Los Padres League.

This year's team showed great spirit and effort at their game. With this in mind, we can look forward to a very successful team next year and in the years to come.

Only one more hill to go!

St. Joseph's Varsity cross country team achieved a S.J. first — 5th place in C.I.F. The Harriers reached the C.I.F. finals on the strength of a veteran and determined team. Erik Schlosser, who lost only one duel meet race, paced the Knights with a 7th place finish at C.I.F. and was named M.V.P. The girls' team was small — only 3 girls — but they were a dedicated lot. Gail was chosen M.V.P. We look for even better things from our girls next year. The strength of the Knights next season will rest on a young but eager J.V. team. The emergence of Lance Jubelt from J.V. to Varsity also will be important.

Above: And their off!! Below: Erik leads the pack.

The 1978-79 Knights basketball team approached every game as if it were the most important game of the season. This desire and spirit gained them the reputation around the league as a team to contend with. Every game was exciting with every player giving 110%. Coach Purdy led his team of hoopsters to a winning season. St. Joseph is definitely proud of their team and coach.

Vice-president Erik Schlosser and President Danny Fouratt.

This year's Student Council was headed by Danny Fouratt, President; Erick Schlosser, Vice-President; Donna Silva, Secretary; and Paul Applegate, Treasurer. Meetings, to discuss various school activities, were held every Tuesday at lunch. Officers and representatives from each class attended these meetings to bring up new ideas and carry out others. The 1978-79 ASB was one of the best ever. In the future, we look forward to the same Student Council as always, one filled with ambition and determination.

Among other things, they sold confetti eggs and held a bake sale and a jean day.

The Girls' Athletic Association is an old name to St. Joseph High. The purpose of this club is to show the importance of sports in the lives of the girls, and in turn they learn to work with others. Some of the highlights of this year were the softball playday and the annual football playday. Thanks to the hard work and the cooperation of the officers and Mrs. Oliver, the moderator. The club added a new look to the campus scene, GIRL LETTERMEN JACKETS!!!

The Pep Club also donated a seven foot metal hoop to be used at every homecoming game for years to come. The club, under the direction of Mrs. Muscio, has had a very successful year.

The Junior Class Ring Ceremony was one of the proudest moments for the Juniors. The ring, which often becomes an heirloom, is the embodiment of this proud occasion and symbolizes the unity of the Junior Class for this ring is unique only to them. For many, it is a time when they received their rings and had them blessed but for all it is a warm and happy memory of a day that was theirs and theirs alone.

During Spirit Week all the students become involved. For the Freshmen class, this week brought a sense of unity. For the other classes, it was a chance to reflect back upon their first Spirit Week. Even though the teachers did not have a day of their own, many dressed out with the classes they taught, and felt a little childish also.

Last Year's Homecoming queen, Mary Cronan

For every person at St. Joes Homecoming has a very special meaning. It's a time to reflect and to remember the class unity that you have and all the good times. The voting for queen was done by a popular vote of the student body but it was still very hard to choose. Homecoming will always be in our hearts and in our minds and it is something to remember.

Erik prays for deliverance from his Massah.

One day each year, Senior students and some teachers auction their services to the highest bidder for the benefit of the Senior Treasury. As you can see, the fun never runs out.

Lisa enjoys a slow dance with her date.

Pam and her date arrive at the dance early.

Judy and Darren seem to be having a great time.

Christmas Dance

This year the Christmas dance was held on December 7, 1978 in the Mildred Jeffers Hall. The theme was "Dreams Never Die." Everyone danced to the great music provided by the group Legend. The Christmas Dance is a special one because it is the one where the girl asks the guy to the dance. This is an occasion in which everyone awaits and it always proves to be a good dance.

Scott and Priscilla enjoy dancing to music by Legend.

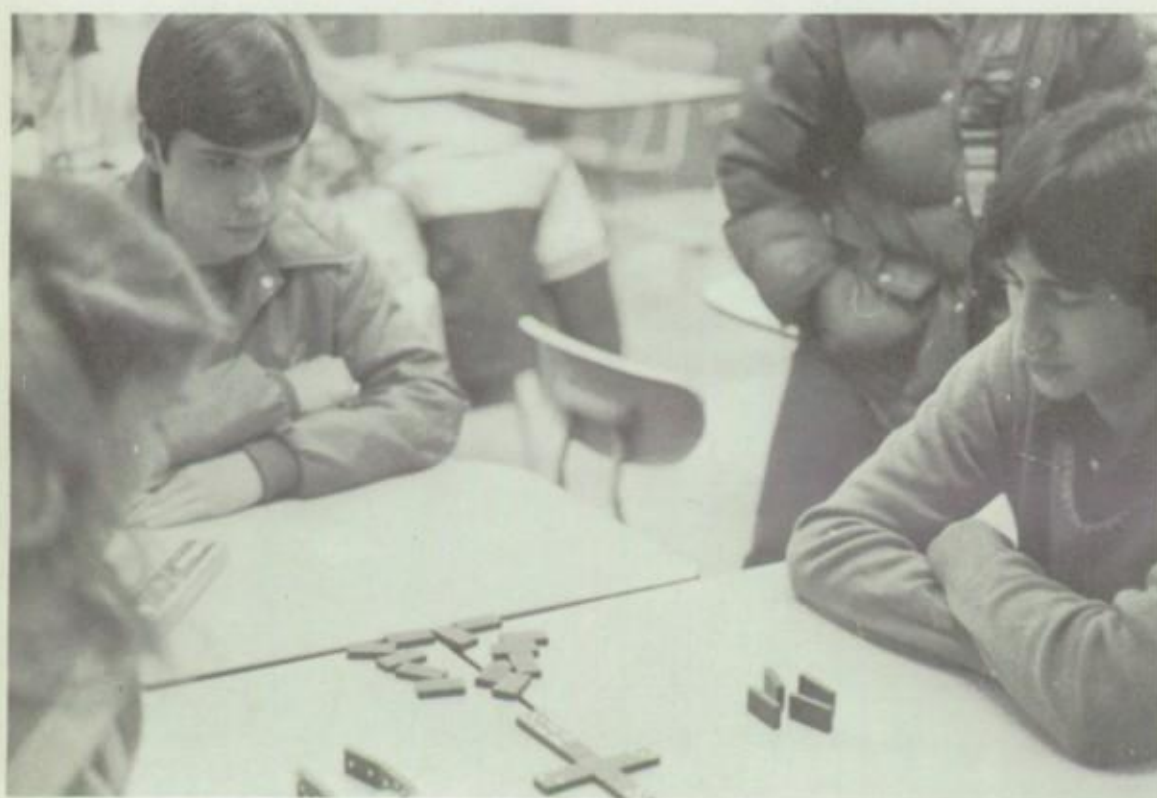

Patti dances the night away.

MINI COURSES

"Who's on first?"

What comes after K?

It runs on 2½ squirrels!

In between the two semesters, the students are given a chance to escape the everyday monotony of school during the Mini Courses. In these courses, the student may choose from a variety of rather "odd" classes in which they feel they have some talent or knack.

"Declare war will ya?!"

"One, two, three, . . . and?"

APPRECIATION

The Student Body showed their appreciation to the teachers with a luncheon organized by Erik Schlosser and Danny Fouratt.

It was a special day to give the teachers our thanks and appreciation.

This year we had the chance to show local Senior Citizens around our school campus with the help of the Christian Service Group. This was a big part of our school Appreciation Week because it showed our gratitude towards the community.

WEEK

Earth Day, a day in which the students showed their appreciation to Mother Earth by planting two plants, representing each class, near the south entrance. Part of the continuing effort to beautify our campus.

The week was concluded with Spirit Day. This day, the Student Body showed their tremendous spirit when they wore hats of all kinds. As you can see, it was an overall fun day for the school.

The 1979 Lance Yearbook Staff is a group of dedicated people striving to produce a book of memories. For the yearbook is a permanent link between the student body and the school, whose contents are treasured forever. (not pictured) — M. Peredo, J. Hernandez, M. Twitchell, C. Terronez.

Yearbook

Photo Staff

Standing on top: Paula Piatt; Left to Right: Michael Peredo, Kevin Ryan, Richard Smith.

This year's Yearbook Staff did a good job in view of a few changes. We were faced with a lower budget to work with, a new advisor and only four returning staff members. With all of this in mind, the staff went to work to produce the best yearbook they could. Although Miss Evans was new to the job, she was a nice addition to the group and offered us a lot of assistance.

One thing is for sure, I really can't believe we got finished. Putting together a yearbook is not easy. Many of the staff stayed late after school and came on weekends to make sure the work was done and sent to Taylor Publishing Company on time.

I'd really like to say a special "Thank You" to everyone who worked on the yearbook. Without them this book would have never gotten done. I hope that this book offers you some fond memories of the 1978-79 school year to cherish forever.
